Residence permit	<ul style="list-style-type: none"> Students who are non-EU nationals need to apply for a Residence permit according to the instructions provided by Finnish Immigration Service http://www.migri.fi/studying_in_finland. Information regarding applying for a Residence permit is also available at the closest Consulate of Finland. University of Helsinki recommends that students submit their application electronically, because it makes the application process faster. Students are advised to apply immediately after receiving their Acceptance Letter from the University of Helsinki. Even if the student has submitted the Residence permit application electronically, he/she needs to visit the Finnish consulate in person to verify his/her identity and to present the original copies of any supplements needed for the application. Because of the above, students should apply for a Residence permit immediately after receiving acceptance information from the Univ. of Helsinki. Please note that cost for the online residence permit is 300 euros (subject to change) 	
Health insurance	Students who are non-EU nationals need to seek comprehensive health insurance prior to applying for a Residence permit. For more, please see https://guide.student.helsinki.fi/en/article/health-insurance and www.migri.fi
