Course offer and restrictions for exchange students	Information on courses suitable for exchange students. Course lists for the academic year 2022 – 2023 will be published in late March/April 2022. Faculty and unit level bilateral exchange students are required to choose the majority of their courses from the Faculty of Agriculture and Forestry: English taught study programmes, Faculty of Agriculture and Forestry: • Master's Programme in Agricultural, Environmental and Resource Economics • Master's Programme in Agricultural Sciences • Master's Programme in Atmospheric Sciences • Master's Programme in Environmental Change and Global Sustainability • Master's Programme in Food Sciences • Master's Programme in Forest Sciences • Master's Programme in Human Nutrition and Food-Related Behaviour • Master's Programme in Microbiology and Microbial Biotechnology • Master's Programme in Plant Biology There are only a few English taught courses in Bachelor's level programmes, but advanced (3rd) year BSc students can choose MSc level courses provided that they have the required prerequisites for the courses. Students interested in a laboratory or research group traineeship can check the traineeship page. Please note that the thesis work option mentioned on the page is not open for university-level bilateral exchange students, unless agreed otherwise in the bilateral agreement.
Finnish courses and other language courses for exchange students	Information on language courses for exchange students Please note that courses teaching English language are not open for exchange students, with the exception of Academic writing in English for exchange students (if course is offered). There are Finnish courses available for those exchange students wanting to learn Finnish. The course includes 4 hours of teaching each week. For more, please see our page on Finnish courses. Students are not required to participate in Finnish courses, but may do so if they wish.
Terminology related to the courses	The Courses in English website includes courses of various levels. Some courses require previous studies in the discipline in question. The following terminology will help the students to find out if the courses are suitable for them: - Basic studies (or "perusopinnot" in Finnish): Bachelor's level courses, do not usually require previous studies from the student - Subject studies or Intermediate studies (or "aineopinnot" in Finnish): Bachelor's level courses, intermediate level, require some previous studies from the student, mainly for 2nd or 3rd year students of the subject - Advanced studies (or "syventävät opinnot" in Finnish): Master's level courses, for students who have

	completed a Bachelor’s degree or have equivalent level	
Workload	Students should aim to complete 30 ECTS credits per semester. One ECTS credit equals 27 hours of work, including both lectures and homework. A full year of 60 ECTS credits corresponds to a workload of 1600 hours. Course descriptions may use terms “cr” or “ECTS cr” or “op”. They all mean the same thing, ECTS credits.	
Application information for student exchange		
Nominations	We recommend that students are nominated at least two weeks before the application deadline. Please fill out this form for your nominations (you may need to paste the link to your browser): https://elomake.helsinki.fi/lomakkeet/80240/lomake.html (you may need to paste the link to your browser) The nomination form for the AY 2022-2023 opens on March 1, 2022.

Online application system	The nominated students submit their applications online by using the online application system of the University of Helsinki, and include the listed enclosures in their application. There is no need to send paper copies of the application. Students should read carefully further instructions . Enclosures, uploaded as attachments to the Online application system: - Approved Learning Agreement (= study plan) - Scanned, official Transcript of Records from the student’s home university - Motivation letter N.B. The University of Helsinki requires exchange students to have language skills in English, Finnish or Swedish (the language the student mainly plans to study with) that correspond to Level B2 on the CEFR scale. However, from the academic year 2022 – 2023 onwards, exchange students do not need to submit proof of language proficiency . We trust our partners to check that their nominees have the required B2 level. Online support for applicants	
Duration of exchange	Autumn Semester: 30 August – 23 December 2022 (including orientation period) Spring Semester: 11 January – 31 May 2023 (including orientation period) Full Academic Year: 30 August 2022 – 31 May 2023	
Information on acceptance	Decisions regarding acceptance are made by faculties of the University of Helsinki. Acceptance information is available about 6 weeks after the application deadline. Accepted students receive an automatic acceptance e-mail from their host Faculty with a formal acceptance letter as an e-mail attachment. Finnish immigration authorities can check the validity of the scanned, formal acceptance letter directly from the University of Helsinki, if necessary.	
Support services and housing for exchange students		
Housing	For the students wanting to live in a student dormitory, University of Helsinki has agreed with housing providers, including Unihome and HOAS (Foundation for Student Housing in the Helsinki Region), on a number of rooms for incoming exchange students. Apartments are located around Helsinki. Students should choose their housing option based on their budget and their wishes.	

	Exchange students submit their housing application as a part of their exchange application. Their information will be forwarded to housing providers. Each exchange student will receive one housing offer. Exchange students coming under university-level bilateral agreements are guaranteed housing but not necessarily the room type they have wished for. Mandatory fees prior to arrival: room deposit: €500 (subject to change) to be paid to the housing provider according to their instructions. Students should be prepared to pay the deposit when they receive instructions from the housing provider. This can be several months prior to arrival. Information about various other housing options is available at our housing page.
International Exchange Services	With any questions during their stay at the University of Helsinki, exchange students are welcome to contact the International Exchange Services, represented on each campus together with the local Student Services. Please check the address and office hours as well as online appointment times of each campus's Student Services at our Contact page. With any questions before or during their stay, students can e-mail studentexchange@helsinki.fi or call +358 2941 22401.
Tutoring	During orientation, incoming exchange students receive help from student tutors, who introduce Finnish university life to the new exchange students and help them with practical issues such as mobile phones, getting a monthly ticket for public transportation etc.
Hobbies and social activities	University of Helsinki has hundreds of student organisations, and exchange students are welcome to join. Please see our Student organisations page. Students' ESN network organises many activities for exchange students.

Information for accepted students	
Residence permit	- Students who are non-EU nationals need to apply for a Residence permit according to the instructions provided by the Finnish Immigration Service (Migri). Information regarding applying for a Residence permit is also available at the closest Consulate of Finland. - University of Helsinki recommends that students submit their application electronically, because it makes the application process faster. Students are advised to apply immediately after receiving their acceptance e-mail from the University of Helsinki. - Even if the student has submitted the Residence permit application electronically, he/she needs to visit the Finnish consulate in person to verify his/her identity and to present the original copies of any supplements needed for the application. Because of the above, students should apply for a Residence permit immediately after receiving acceptance information from the Univ. of Helsinki. - Please note that cost for the online residence permit is 350 euros (subject to change)

Health insurance and health services	Students who are non-EU nationals need to seek comprehensive health insurance prior to applying for a Residence permit. For more, please see Migri's Insurance page. Note: Due to national changes regarding access to health care since January 2021, student health services are no longer available for exchange students even if they join the Student Union.
Student Union membership	Student Union membership fee for exchange students is ca. 21 euros per semester (subject to change). Joining the Student Union is voluntary.
Cost of living	Cost of living page
Course enrolment	Students need to have their University of Helsinki computer user ID to register for courses. Students receive the computer user ID when they arrive in Finland. Course registration happens after arrival. After course information for the following academic year is published, there may be some changes, so the Learning agreement is only a preliminary plan. Students are advised to check the list of courses offered during their exchange year again before they arrive.
Grading system	The University of Helsinki uses a six-level grading scale from 0 to 5. 5 = excellent or A 4 = very good or B 3 = good or C 2 = satisfactory or D 1 = passable or E 0 = fail or F or FX Please note that reference to the A-F grading scale is only indicative. In addition to applying this grading scale, a pass/fail grade may be used when grading certain courses, e.g. ones containing practical training or practical skills. Please note it is not possible to receive a numeric grade for these pass/fail courses. The University of Helsinki grading scale is not a proportionate scale and does not therefore fully correspond to the ECTS grading scale: the ECTS system is based on an expectancy of the distribution of different grades, the Finnish system is not. This means that in the Finnish system each student is graded on his/her individual performance, not in relation to the performance of others.
Transcripts of records	Students can get one official hard copy of their transcript per semester free of charge from the Student Services, see our Transcript page. Students are responsible for ordering their official transcript. It is not automatically sent to the partner university. If your university accepts an electronically signed official transcript as a pdf, students can order one from the student register. More information is available at our Digital signatures page.
