

PROGRAMA de DOCTORADO
"CIENCIA Y TECNOLOGÍA DE
NUEVOS MATERIALES"

Professor Qiang Wang
Beijing Forestry University
Beijing, China

Seville, 12th March 2026

Dear Prof. Wang,

On behalf of the Academic Committee of the PhD Programme in Science and Technology of New Materials, it is our pleasure to invite you to serve as a member of the evaluation committee for the PhD thesis presented by Mr. José Rubén Blay Roger.

The public defense of the doctoral thesis will take place between 4 and 5 May 2026 at the University of Seville. Your participation as a distinguished expert in the field will contribute significantly to the academic evaluation process.

During your visit, you are also invited to deliver a lecture of interest for the PhD Programme in Science and Technology of New Materials.

The planned visit will take place **from 30 April to 7 May**, for a total stay of **8 days**.

Please note that **all expenses during the visit, including transportation, accommodation, and meals, will be covered at your own expense.**

We sincerely hope you will be able to accept this invitation and look forward to welcoming you to the University of Seville.

Yours sincerely,

Luis F. Bobadilla Baladrón
President of the Academic Committee
PhD Programme in Science and Technology of New Materials
