Dear Sir/Madam,

As Chief Executive of the East Asian–Australasian Flyway Partnership (EAAFP) Secretariat, I am pleased to formally invite Prof. LEI Guangchun, Advisor of the EAAFP Science Unit (Date of Birth: 18 February 1960; Passport Number: PE2215326), to attend the 20th anniversary celebration of the East Asian–Australasian Flyway Partnership, which will be held in Incheon, Republic of Korea, from 14 to 15 July 2026, with the theme “20 Years for the Flyway: Woven by People, Carried on Wings”.

Prof. LEI Guangchun is also invited to attend meetings with local universities and the EAAFP Secretariat from 13 to 17 July 2026. These meetings will provide an opportunity to discuss work plans for the current and coming year, as well as preparations for the second EAAFP Flyway Science Symposium to be held in China this year.

The East Asian–Australasian Flyway Partnership (EAAFP) is an international non-profit organisation registered in the Republic of Korea. Established in November 2006, it works to conserve migratory waterbirds and their habitats and ecosystems across the flyway. The Partnership brings together 42 Partners, including 18 national governments, 6 intergovernmental organisations, 16 international NGOs, and other entities.

Prof. LEI Guangchun's participation, as Advisor of the EAAFP Science Unit, is important for representing the Partnership's scientific work and contributing technical expertise to the event and related meetings.

I confirm that this visit is for official purposes only. Prof. LEI Guangchun will comply with all laws and regulations of the Republic of Korea and will return to China upon completion of his official programme.
